Phoenix, Arizona 85012

**Re: Indian Hills Airpark II, La Paz County  
Water Adequacy Report # 22-400953**

Dear Mr. Tanney:

Pursuant to A.R.S. §45-108, the Department of Water Resources has reviewed the available information pertaining to the water supply for the above captioned subdivision located in Section 21, T5N, R13W, La Paz County, Arizona.

Water for domestic use will be provided to each of the 126 lots in the subdivision by Keaton Development Company from wells within its franchised area.

Adequacy of the water supply was reviewed by the Department with regard to quality, quantity and dependability. The subdivision is located about 3 miles south of Salome, Arizona. Information available to the Department indicates that the depth to water is about 268 to 304 feet below land surface. Water levels have been declining in the area at a rate of 2.1 to 3.4 feet per year. Aquifer test data indicate that sufficient water is available for the subdivision. Therefore, the Department of Water Resources finds the water supply to be adequate to meet the subdivision's projected needs.

This letter, which constitutes the Department's report on the subdivision's water supply, is being forwarded to your office as required by A.R.S. §45-108. This law requires the developer to hold the recordation of the subdivision's plat until receipt of the Department's report on the subdivision's water supply. By copy of this report, the La Paz County Recorder is being officially notified of the developer's compliance with the law.

If you have any questions, please contact Dan Holden at (602) 417-2400, ex.7317.

Sincerely,

Frank Putman  
Acting Assistant Director
